Request for Lunch Release Privileges

JUNIORS and SENIORS may leave during the lunch period without making arrangements with the Attendance Office, provided they have on file a signed request for this release.

NAME _____ **GRADE** _____

We do hereby request the release of our son/daughter during his/her regularly scheduled lunch period. It is understood and agreed that while the student is off campus, he/she is not within the protective custody of Skyline High School, and that the school is not responsible for and will not provide supervision and custody of the student during these times.

In consideration of being granted this privilege, we do hereby release the Issaquah School District, its agents, and employees of any and all liability which may arise as a result of activities engaged in by our son/daughter while absent from the school premises. We do further indemnify and hold harmless the Issaquah School District from any and all claims, which may result from the activities of our student while absent from the school premises.

It is understood that the school authorities reserve the right to withdraw that privilege in the event of tardiness, irregular class attendance, low grades, or misconduct of the student. Furthermore, students are required to carry their Skyline ID card indicating their upperclassman status at all times and to identify themselves to school authorities upon request.
